Distributors and OEMs throughout the Great Lakes region use JG Sales for premium quality hose, couplings and accessories.

A quick glance at this heavy equipment reveals several of our products: hydraulic hose and couplings, quick disconnects, adapters, ball valves, brass and steel fittings, abrasion sleeve, shrink tubing, cable ties, spiral wrap, and band clamps.

Manufacturers

Hose, Fittings & Fleet products

JG Sales is an independent manufacturer's rep agency specializing in industrial/hydraulic hose, fittings, and related products. Our many years of selling and teaching experience have made us a preferred partner in solving problems for distributors and OEMs. Focusing on proper training and quality manufacturers, JG Sales has evolved into a full service multi-rep team with an array of fittings, high-pressure ball valves, quick disconnect couplings, hose cutting equipment, expansion joints, hydraulic adapters & hose, fire and abrasion sleeve, industrial hose and couplers, band clamps, and more!

If *your* business is the *hose business*, or if hose and accessories are used in your process, we have something to talk about! Our manufacturers include:

- Atlantex fire sleeve, high temp rope, abrasion sleeve.
- Couplamatic Systems hydraulic crimp fittings and hose, guaranteed compatible with your current line.
- Coxreels quality U.S. made hose, cord and cable reels.
- GK Fittings Hydraulic adapters.
- Kadant Unaflex Expansion joints and sheet rubber.
- Novaflex composite and industrial hose, assemblies, ducting, dry-release couplings, and safety breakaways.
- Pressure Components quick disconnects, heavy duty hydraulic hose clamps and high-pressure ball valves.
- QCT hydraulic quick couplers.
- Robo-Fit Brass valves and countless industrial fittings.
- Specialty Saw affordable hydraulic and industrial hose cutting blades, sharpening, and Clean-Cuts saws.
- UIP International Cam and Groove couplings and Sheet Rubber.
